**HARRY C. BATCHELDER, JR.**, being duly sworn, deposes and says:

- (1) I am assigned counsel and, as such, I am fully familiar with the facts and circumstances surrounding Mr. Small's defense and I make this affidavit in support of an order to return Mr. Small's Jamaican passport and I do so for the following reasons:
- (2) As the Court is aware from the allegations surrounding prior counsel's representation, prior counsel took money to "handle", sic, Mr. Small's immigration status. Despite repeated requests by Mr. Small, nothing was done to address his concerns and, through no fault of his own, his status was jeopardized.
- (3) In order to adjust his status, Mr. Small will require his passport which is presently in the possession of Untied States Customs and Immigration authorities. I spoke with Assistant United States Attorney Michael Ramos and he assented to the return

of Mr. Small's passport to him, but he would require a court order to do so. This

Dear Judge Ross:

On April 4<sup>th</sup> I sent to the Court the enclosed order pertaining to Mr. Small being able to pick up his passport and we note this order has not been executed.

As Mr. Small needs the passport to straighten out his immigration matters, I would appreciate the Court's attention to this proposed assented to order.

Very truly yours,
